

TEMPORARY ELECTRIC POWER LETTER
FOR

☐ New Construction ☐ Repair-Remodel w/wo Electrical ☐ Other _____

All temporary electrical power letters must be approved by a building inspector and a fee, as specified in the City's Current Fee Ordinance, is required prior to the inspection by this department. Temporary permits are limited to sixty (60) days at which they automatically expire unless extended in writing by the City of Aledo Inspections Division.

The owner/applicant agrees that, if upon inspection of said premises by City inspector, such wiring methods and/or electrical equipment is/are to be so approved by him/her, the applicant will correct the violation(s) in conformance with the requirements of the currently adopted Electrical code, prior to inspectors approval. The owner/applicant further agrees that, if any other city inspection violations are so noted; and have not been corrected, or if the changes have not been made within sixty (60) days after such inspection, the City may have service disconnected to said owner/applicant until such changes have been made and approval by the City inspector has been given.

The owner/applicant agrees to release the City of Aledo, and its agents from any and all liability of every kind and nature for damages to persons and/or property which may occur from defective wiring methods and/or electrical equipment and hereby agrees to indemnify the City of Aledo and its agents for and to hold the City of Aledo and its agents harmless from any and all such liability.
