

CITY COUNCIL CANDIDATE PACKET

May 4, 2024

Dear Prospective Candidate,

Thank you for considering a position for public office with the City of Aledo. The City's General Election is scheduled for Saturday, May 4, 2024, and is for the purpose of electing the following positions: City Council Place 4 and City Council Place 5. The elected officials to these positions shall hold office as follows as a transition into (3) year terms as approved by the Home Rule Charter adopted November 2, 2021, by the voters of Aledo: City Council Place 4 - 3 year term ending in May of 2027 and City Council Place 5 - 3 year term ending May of 2027.

Attached is a "Candidate Packet" designed to acquaint you with the election calendar, applicable City and State regulations, as well as legal requirements by the Texas Ethics Commission pertaining to campaign contributions and expenditures. Please take time to thoroughly read the enclosed information. It is the candidate's responsibility to know and comply with all reporting deadlines. Please also remember that all applications and reports are public record.

The City Secretary's office serves as your filing authority and must maintain neutrality in the electoral process. Any questions on reporting procedures, contributions or expenditures should be directed to the Texas Ethics Commission at 512-463-5800, or online at www.ethics.state.tx.us. You may direct questions about election laws to the Secretary of State at 800-252-8683 or 512-463-5650 or online at www.sos.state.tx.us.

Please feel free to use or copy any information in your Candidate Packet. Although these forms change from year to year, your return of this book after the election will enable the City to recycle them for future elections.

I look forward to working with you during this campaign. I hope you have a wonderful campaign experience and that you find satisfaction in the call to public service. If you have any questions, or if I may be of assistance, please do not hesitate to contact me by phone at 817-441-7016, via email, dmcmullen@aledotx.gov or at my office located in City Hall at 104 Maverick Street.

NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. When a candidate signs the application, it is an acknowledgment that the candidate is aware of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to the officer, or to any other member of the governing body or court on which the officer serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at an election other than the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

Sin embargo, nada en la ley impide el nombramiento, la votación o la confirmación de cualquier persona que haya estado empleada continuamente en la oficina o el empleo durante el período siguiente antes de la elección o el nombramiento del funcionario o miembro emparentado con el empleado en el grado prohibido: seis meses, si el funcionario o miembro es elegido en una elección que no sea la elección general para funcionarios estatales y del condado.

1. I've decided to run for office. Now what?

After you make the decision to run for office, you must file a Campaign Treasurer Appointment (/data/forms/coh/cta.pdf). (Judicial candidates need to use Form JCTA (/data/forms/coh/jcta.pdf)). This is required before you file an application for a place on the ballot, raise or spend any money for your campaign, or announce your candidacy publicly or privately. Please be aware that becoming a candidate will trigger filing requirements. You can familiarize yourself with these requirements by consulting the appropriate campaign finance guide (/resources/cf) and filing schedule (/filinginfo/schedules/filing schedules.php).

If this is your first time filing reports with the Texas Ethics Commission, you will be assigned a Filer ID from the Commission after the Commission has received your Campaign Treasurer Appointment. This Filer ID and a link to set your password will be emailed to you. The Ethics Commission will also

mail to you via the United States Postal System pertinent information on reporting requirements, late-filing penalties, and online locations of the Commission's forms, schedules, and guides. Once you have a Filer ID and have set your password, you can electronically file your campaign finance reports.

2. I'm not going to raise any money. Do I still need to appoint a treasurer?

Yes. The law requires every candidate to file a campaign treasurer appointment, even if the candidate does not intend to raise or spend money. You are permitted to appoint yourself as your treasurer.

3. If I run for office again do I need to appoint a campaign treasurer again?

If you are running for the same office and have not terminated your campaign treasurer appointment by filing a final report, you are not required to file another appointment of a campaign treasurer (Form CTA).

4. Where do I file my forms?

Where you file depends on whether you are running for a "local" office or one that is required to file with the Texas Ethics Commission.

5. How do I determine whether I am a "local" filer or a Texas Ethics Commission filer?

Local offices may include:

- County offices (county commissioner, tax assessor/collector, constable, justice of the peace, sheriff, etc.)
- · City offices (mayor, council member, secretary, etc.)
- Political Subdivision offices (school board, community college trustee, municipal utility district, water district, etc.)

Statewide offices and other offices that file with the Texas Ethics Commission include:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Railroad Commissioner, Land Commissioner, Agriculture Commissioner, State Chair of political party
- Texas Senate, Texas House of Representatives
- Multi-county District Attorney
- · State Board of Education
- Supreme Court Justice, Court of Appeals Justice, Court of Criminal Appeals Judge, and district judges

6. I am a "local" filer. Where do I file my forms?

Local candidates do not file with the Texas Ethics Commission. If you are a local candidate, you will file with your local filing authority.

The filing authority for a local candidate or officeholder depends on the nature of the office sought or held:

- County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate filing authority for a candidate for:
 - a county office
 - a precinct office
 - a district office (except for multi-county district offices)
 - an office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.
- Other local filing authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer.

7. I have never filed with the Ethics Commission. How do I get started?

To file with the Texas Ethics Commission, you need a Filer ID. This Filer ID is assigned to you by the Commission. The fastest way to get started is to fill out a Campaign Treasurer Appointment – Form CTA (/data/forms/coh/cta.pdf) (judicial candidates need to use Form JCTA (/data/forms/coh/jcta.pdf)) and a Form Security (/data/forms/security/security-cf.pdf). Email your treasurer appointment to the Ethics Commission at treasappoint@ethics.state.tx.us and email your security form to the Ethics Commission at formsecurity@ethics.state.tx.us. Your new Filer ID and a link to set your password will be emailed to you. The Ethics Commission will mail to you via the United States Postal System pertinent information on reporting requirements, late-filing penalties, and online locations of the Commission's forms, schedules, and guides.

8. What reports will I need to file?

Candidates will typically need to file a treasurer appointment and periodic campaign finance reports disclosing the candidate's activity. The specific forms required will depend on what office you are seeking. Other forms may be required in less common situations, such as filing a correction or amending a treasurer appointment. All potentially required forms and their companion instruction guides can be found on our Forms/Instructions • Candidates and Officeholders (/forms/COHindex.php) tab located at the top of this page.

9. Do I have to file my reports electronically?

Filers who file with the Texas Ethics Commission are required to file campaign finance reports electronically. A filer must request an electronic filing password using a Form Security (/data/forms/security/security-cf.pdf) and email it to the Ethics Commission at formsecurity@ethics.state.tx.us to file the reports. An exception exists for filers who have limited activity and do not use computer equipment to keep track of their political activity. A filer claiming this

exception must attach an affidavit of exemption (/data/forms/affd/elf_coh_aff.pdf) to each report filed on paper. The appointment of a campaign treasurer form and any amendments to that form must still be filed on paper.

Filers who file with local authorities are not required to file electronically under state law. However, these filers should check with their local filing authority to determine whether that authority requires electronic filing.

10. How do I get my name on the ballot?

Contact the Secretary of State's Elections Division or your local party for questions about the application for a place on the ballot.

11. Do I still have to file reports if I chose modified reporting on my treasurer appointment?

By selecting the modified reporting schedule you are indicating that you plan to stay under the \$1,010 threshold in both contributions or expenditures in connection with an election. The modified reporting schedule exempts you from filing 30-day and 8-day pre-election reports. If you have selected the modified reporting schedule, you must still report activity during the entire period you were a candidate, either on a semiannual report or on a final report. Please note that the payment of a filing fee is not considered when calculating whether a filer has exceeded \$1,010 in expenditures.

12. What happens if I select modified reporting and then exceed \$1,010?

If you select modified reporting and exceed \$1,010 (in either contributions or expenditures in connection with an election) before the 30-day pre-election report is due, you must file required 30-day and 8-day pre-election reports (keep in mind that unopposed candidates are not required to file these reports regardless of their level of activity). If you exceed a \$1,010 threshold after the 30-day pre-election report is due, you must file an "Exceeded Modified Reporting Limit report" within 48 hours of exceeding the threshold and, if the threshold is exceeded before the 8-day pre-election report is due, you must file the 8-day pre-election report.

13. When do I have to file my campaign finance reports?

Due dates for campaign finance reports can be found on the appropriate filing schedule (/filinginfo/schedules/filing_schedules.php).

14. When do I have to file my report for it to be timely?

Most reports are considered timely filed if they are postmarked or electronically submitted by the due date. If filing electronically, a report must be filed by midnight Central time on the night of the due date to be considered timely filed. A 30-day, 8-day, or special pre-election report <u>must be received</u> by

the filing authority no later than the due date to be considered timely filed.

15. I was a candidate in an election, and I lost. Do I need to file any further reports?

Losing an election does not end your filing responsibilities with the Texas Ethics Commission or with your local filing authority.

If your situation meets all of the following criteria, you may file a final report to terminate your treasurer and terminate future filing requirements:

- · you do not currently hold an office, and
- · you lost the election, and
- · you have no remaining funds or assets in your campaign account

The final report will cover the period beginning where your last report ended and ending on the day the final report is filed.

Filing a final report terminates your campaign treasurer appointment and terminates your status as a "candidate" for filing purposes. Please remember that you may not accept campaign contributions or make campaign expenditures without having a campaign treasurer appointment on file.

If you do not file a final report after the election, you will be required to file semiannual reports until you file a final report. Officeholders who have filed a final report may still have additional filing requirements. See the relevant campaign finance guide (/resources/cf) for additional information.

16. How do I complete the campaign finance report?

Each form has a companion instruction guide (/forms/coh/cohfrm.php) that instructs you how to fill out the form line-by-line. Most questions about how to fill out the form can be answered by consulting these instructions. Other topics like reporting expenditures from personal funds, reporting staff reimbursements, and reporting credit card expenditures are explained more fully in the reporting resources found in the Helpful Information section (/resources/cf) on the Campaign Finance Resources page.

17. What kind of bank account should I open?

You must deposit your political contributions in a separate account from any other account you maintain. State law does not require this account to be a particular type of account (e.g., a business account), but bank policies may restrict the type of account you can use. Please consult your financial institution.

18. Do I need to get a tax identification number?

The laws under the jurisdiction of the Texas Ethics Commission do not require a candidate or political committee to obtain a Tax Identification Number. Please contact the Internal Revenue Service and the Texas Workforce Commission for further information.

19. How can I spend my campaign funds?

You may use your political funds to pay for most expenses you incur as a candidate or officeholder. The primary restriction in using campaign funds is that you cannot convert them to personal use. You can consult the commission's preexisting opinions (/resources/cf/Personal_Use_Of_Contributions.php) about permissible and impermissible uses of political funds.

Additional restrictions exist for payments to close family members, payments to a business of the candidate, and payments from judicial candidates and officeholders to candidates or political committees. These restrictions are discussed in more detail in the campaign finance guides (/resources/guides/).

20. I'm running for a city or county office. Do I need to file a personal financial statement?

A personal financial statement is a document disclosing a candidate or officer's personal financial activity over the period of a calendar year (in contrast to a campaign finance report, which discloses a campaign's financial activity).

Generally, the Texas Ethics Commission does not have jurisdiction to determine whether a candidate for local office is required to file a personal financial statement. However candidates for district attorney must file personal financial statements with the Commission. Other candidates should contact their local filing authority to determine whether they need to file a personal financial statement.

21. What has to be on my signs?

Most political advertising requires a political advertising disclosure statement and signs designed to be seen from a road must contain a highway right-of-way notice. Additionally, non-incumbent candidates must use the word "for" before the name of the office they are seeking. Please see the Political Advertising Guide (/data/resources/advertising/Gpol_adv.pdf) for more specific information.

22. Where and when can I post my campaign signs?

The Texas Ethics Commission generally does not regulate the placement or removal of political signs. The Texas Ethics Commission primarily regulates the disclosure statements that must appear on political advertising signs. You may find this guide from TXDOT to be helpful:

http://ftp.dot.state.tx.us/pub/txdot-info/row/political-signs.pdf (http://ftp.dot.state.tx.us/pub/txdot-info/row/political-signs.pdf).

Before distributing any political advertising, a candidate must have a treasurer appointment on file with the proper filing authority.

The answer to this question largely depends on where the signs are placed, and whether there are any local government restrictions set by the county, city, or HOA. Regarding signs placed on city-owned public property, you may wish to contact the city attorney to see if the city has any restrictions, such as a 90 day. Regarding signs placed on rural roads, those are regulated by Chapter 394 of the Texas Transportation Code and you may wish to contact TXDOT. https://www.txdot.gov/inside-txdot/division/right-of-way/outdoor-signs.html (https://www.txdot.gov/inside-txdot/division/right-of-way/outdoor-signs.html).

Also, note that Chapter 259 of the Election Code actually prohibits municipalities and HOAs from adopting and enforcing regulations, such as any 90 day restrictions, that prohibit the placement of certain political advertising signs within an HOA or on private property. https://statutes.capitol.texas.gov/Docs/EL/htm/EL.259.htm (https://statutes.capitol.texas.gov/Docs/EL/htm/EL.259.htm).

23. What are my contribution limits?

The state does not have contribution limits for most offices. Judicial candidates are subject to contribution limits, which are discussed further in the Campaign Finance Guide for Judicial Candidates (/data/resources/judicial/jcoh_guide.pdf). Some political subdivisions do impose their own contribution limits, so a candidate should always check with the local authority to see if any relevant limits apply.

24. What are my restrictions on fundraising?

All candidates are prohibited from accepting contributions from a corporation or labor organization and from accepting a cash contribution exceeding \$100. Candidates are also prohibited from accepting anonymous contributions, so for this reason, fundraising strategies like contribution jars are discouraged. For more information about fundraising, see the Political Fundraising Guide (/data/resources/guides/Gpolfund.pdf).

25. How do I correct a report?

A filer may correct a report filed with the Texas Ethics Commission or a local filing authority at any time. If you are required to file reports electronically with the Ethics Commission, then reports can be corrected through the software by selecting the option to "Correct a Filed Report." If you qualify to file reports on paper with the Ethics Commission, then you will need to submit a correction affidavit, an affidavit for electronic filing exemption (/data/forms/affd/elf_coh_aff.pdf), and the pages of the report that are being corrected. If you are required to file reports with a local filing authority, you will

need to submit a correction affidavit and the pages of the report that are being corrected. Depending on the type of report that is being corrected, you should use the appropriate correction affidavit form found at the *Forms/Instructions* • *Candidate/Officeholders* (/forms/COHindex.php) tab at the top of this page.

26. Will the Ethics Commission make paper copies of electronically filed reports available?

Yes for a surcharge. Members of the public may make an open records request (/contact/index.php#records) for specified copies of reports. There is a fee for copies.

27. May someone who files with a local filing authority file electronically?

Local filers may file electronically if your local authority has an electronic filing system for campaign finance reports. Check with your local authority to find out if electronic filing is an option. At this time, most local authorities *do not* offer electronic filing. There are, however, a few local filing authorities that offer, and in some instances even require, electronic filing. Local filers wanting to generate a pdf copy of their report, can also use the TEC filing application to generate the report. The report must still be filed with your local filing authority. See *Filing Reports * Local Filers * Campaign Finance Reports* (/filinginfo/LOCALindex.php#cfs) tab found at the top of this page to generate your report using TEC filing application

First Steps for Candidates Running for a City Office

This quick-start guide for candidates seeking a city office is not intended to provide comprehensive information. For more details, including information on political advertising requirements, fundraising rules, and filing schedules, see the Texas Ethics Commission's (TEC) website at www.ethics.state.tx.us.

- All candidates must file a Campaign Treasurer Appointment (Form CTA).
 All candidates must file Form CTA even if you do not intend to raise or spend any money. Form CTA is required to be filed before you file an application for a place on the ballot, raise or spend any money for your campaign, or announce your candidacy. File Form CTA with the city clerk or city secretary, as applicable.
- 2. Opposed Candidates: Will you accept or spend more than \$1,010* for the election?
 - YES:
 - o You do not qualify to file on the modified reporting schedule.
 - You are *required* to file pre-election campaign finance reports using Form C/OH if you have an opponent on the ballot. Find Form C/OH and its instructions on our "Local Filers Non-Judicial Candidate/Officeholder" webpage.
 - Pre-election reports are due 30 days and 8 days prior to each election. To be timely filed, pre-election reports must be <u>received</u> by the city clerk or city secretary no later than the due date.
 - NO:
 - You can elect to file on the modified reporting schedule by completing the Modified Reporting Declaration on page two of Form CTA. File Form CTA with the city clerk or city secretary.
 - o If you elect to file on the modified reporting schedule, you do not have to file preelection campaign finance reports due 30 days and 8 days prior to the election.
 - Exceed \$1,010*: If you elect to file on the modified reporting schedule but later exceed \$1,010 in either contributions or expenditures, what reports you will be required to file depends upon when you exceed \$1,010*.
 - o If you exceed \$1,010* on or before the 30th day before the election, you are **required** to file pre-election campaign finance reports due 30 days and 8 days prior to an election using Form C/OH. To be timely filed, pre-election reports must be <u>received</u> by the city clerk or city secretary no later than the due date. Find Form C/OH and its instructions on our "Local Filers Non-Judicial Candidate/Officeholder" webpage.
 - If you exceed \$1,010* <u>after</u> the 30th day before the election, you are **required** to file an Exceeded Modified Reporting Limit report using Form C/OH. To be timely filed, this report must be filed with the city clerk or city secretary within 48 hours of exceeding \$1,010.* You must also file the pre-election report due 8 days prior to an election. Find Form C/OH and its instructions on our "Local Filers Non-Judicial Candidate/Officeholder" webpage. If you exceed \$1,010* <u>on or before</u> the 8th day before the election, you are **required** to file a pre-election campaign finance report due 8 days prior to an election using Form C/OH. To be timely filed, the pre-election

report must be <u>received</u> by the city clerk or city secretary no later than the due date. Find Form C/OH and its instructions on our "Local Filers Non-Judicial Candidate/Officeholder" webpage.

3. Unopposed Candidates.

If you do not have an opponent whose name will appear on the ballot in the election, you are an unopposed candidate and are not required to file pre-election campaign finance reports prior to that election.

4. All candidates must file semiannual campaign finance reports (Form C/OH).

All candidates are *required* to file semiannual reports using Form C/OH even if you have no campaign activity or were unsuccessful in the election. Semiannual reports are due on January 15th and July 15th and must be filed with the city clerk or city secretary. To end your filing obligations, you must cease campaign activity and file a Final report using Form C/OH and attaching Form C/OH-FR (Designation of Final Report). Form C/OH-FR is found on the last page of Form C/OH. Find Form C/OH and its instructions on our "Local Filers Non-Judicial Candidate/Officeholder" webpage. For more information, see "Ending Your Campaign" for local filers.

5. All candidates can use the TEC's Filing Application to prepare campaign finance reports (Form C/OH).

You can use the TEC's Filing Application to prepare a PDF version of your campaign finance report (Form C/OH). Select "Local Authority" and follow the steps to set up an account and login to the application. Once you have completed your report, print out a copy, add your treasurer information, get it notarized, and file it with the city clerk or city secretary by the appropriate deadline.

6. Need More Information?

See the Campaign Finance Guide for Candidates and Officeholders Who File With Local Filing Authorities, forms, instructions, examples on how to disclose contributions and expenditures, political advertising and fundraising guides, and other information you may find useful on our website at www.ethics.state.tx.us under the "Resources" and "Forms/Instructions" main menu items.

*NOTE: The \$1,010 threshold is specific to transactions made in 2023.

Political Advertising Requirements

For comprehensive review of political advertising requirements, please refer to the Political Advertising Guide (/data/resources/advertising/Gpol_adv.pdf), available on our website. For answers to frequently asked questions, see below.

For questions about the use of public funds for political advertising, please refer to the Political Subdivision Guide (/data/resources/advertising/Bsub_adv.pdf) and School District Guide (/data/resources/advertising/Bsch_adv.pdf), both available on our website.

What is "Political Advertising"?

"Political advertising" means a communication supporting or opposing a candidate for nomination or election to a public office or office of a political party, a political party, a public officer, or a measure that:

- (A) in return for consideration, is published in a newspaper, magazine, or other periodical or is broadcast by radio or television; or
- (B) appears:
 - (i) in a pamphlet, circular, flier, billboard or other sign, bumper sticker, or similar form of written communication; or
 - (ii) on an Internet website (including a communication appearing on a social media website).

When can I begin advertising?

Candidates may begin advertising once they have a campaign treasurer appointment on file. The laws under the Commission's jurisdiction do not address when and where candidates may place signs. Questions about the 90-day timeline for placing signs must be directed to the Texas Department of Transportation (https://www.txdot.gov/inside-txdot/division/right-of-way/campaign-signs.html).

What are the requirements of a disclosure statement?

A political advertising disclosure statement *must contain* the words "political advertising" or any recognizable abbreviation, and must:

- (1) appear on one line of text or on successive lines of text on the face of the political advertising; or
- (2) be clearly spoken in the political advertising if the political advertising does not include written text.

The disclosure statement *must contain* the full name of:

- (1) the person who paid for the political advertising;
- (2) the political committee authorizing the political advertising; or
- (3) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

A disclosure statement is not required on:

- (1) tickets or invitations to political fund-raising events;
- (2) campaign buttons, pins, or hats, or on objects whose size makes printing the disclosure impractical, such as t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, and candy wrappers;
- (3) circulars or flyers that cost in the aggregate less than \$500 to publish and distribute.
- (4) an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement; or
- (5) letterhead stationery if the letterhead contains the full name of one of the following:
 - (a) the person who paid for the political advertising;
 - (b) the political committee authorizing the political advertising; or
 - (c) the candidate authorizing the political advertising.
- (6) postings or re-postings on an Internet website if the person posting or re-posting is not an officeholder, candidate, or political committee and did not make an expenditure exceeding \$100 in a reporting period for political advertising beyond the basic cost of hardware messaging software and bandwidth;
- (7) an Internet social media profile webpage of a candidate or officeholder, if the webpage clearly and conspicuously displays the full name of the candidate or officeholder; and
- (8) postings or re-postings on an Internet website if the advertising is posted with a link to a publicly viewable Internet webpage that either contains the disclosure statement or is an Internet social media profile webpage of a candidate or officeholder that clearly and conspicuously displays the candidate's or officeholder&srguo;s full name.

What are the requirements of a "Highway Right-of-Way Notice"?

Political advertising signs must contain the following statement, in verbatim:

"NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE), TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY."

The highway right-of-way notice may appear on the reverse-side of a sign.

Violations of the law often occur because someone finds it irresistible to wrap up a factual explanation with a motivational slogan such as:

IT PAYS TO INVEST IN THE FUTURE.

C

IT'S TIME TO MOVE AHEAD.

Another common misstep is to include "calls to action" such as:

LET'S BUILD A BETTER CITY.

ū

SHOW THAT YOU CARE ABOUT OUR FUTURE.

Remember: No matter how much factual information about the purposes of a measure election is in a communication, *any amount* of advocacy is impermissible.

A violation of the prohibition is a Class A misdemeanor. This means that a violation could lead to criminal prosecution. Also, the Ethics Commission has authority to impose fines for violations of section 255.003.

Another provision of the Texas Election Code prohibits an officer or employee of a political subdivision from using or authorizing the use of an internal mail system to distribute political advertising. An internal mail system is a system operated by a political subdivision to deliver written documents to its officers or employees. A violation of this prohibition could also lead to the imposition of fines by the Ethics Commission or to criminal prosecution.

Although you may not use political subdivision resources for political advertising, you are free to campaign for or against a proposition on your own time and with your own resources. If you do plan to become involved in a campaign, you should educate yourself about filing requirements and about the rules regarding disclosures on political advertising.

A Short Guide to the Prohibition Against Using Political Subdivison Resources For Political Advertising In Connection With An Election

No matter how enthusiastic you are about an election, it is important to remember that the Texas Election Code prohibits the use of political subdivision resources to produce or distribute political advertising in connection with an election. Section 255,003 of the Election Code provides as follows:

- An officer or employee of a political subdivision may not spend or authorize the spending of public funds for political advertising.
- This section does not apply to a communication that factually describes the purposes of a measure if the communication does not advocate passage or defeat of the measure.
- A person who violates this section commits an offense. An offense under this section is a Class A misdemeanor.

New legislation effective September 1, 2009, further clarifies that an officer or employee of a political subdivision may not spend or authorize the spending of public funds for a communication describing a measure if the communication contains information that:

- (1) the officer or employee knows is false; and
- (2) is sufficiently substantial and important as to be reasonably likely to influence a voter for or against the measure.

To understand the practical significance of this prohibition, it is useful to look at some of the specific words and phrases used in the law.

"Political advertising" means

- (1) a communication supporting or opposing a candidate for nomination or election to a public office or office of a political party, a public officer, that: (A) in return for consideration, is published in a newspaper, magazine, or other periodical or is broadcast by radio or television; or (B) appears: (i) in a pamphlet, circular, flier, billboard or other sign, bumper sticker, or similar form of written communication; or (ii) on an Internet website; and
- (2) a communication that advocates passage or defeat of a measure, and that: (A) in return for consideration, is published in a newspaper, magazine, or other periodical or is broadcast by radio or television; or (B) appears: (i) in a pamphlet, circular, flier, billboard or other sign, bumper sticker, or similar form of written communication; or (ii) on an Internet website.

Newsletter of Public Officer of a Political Subdivision. The Ethics Commission adopted a rule providing guidelines for when a newsletter of a public officer of a political subdivision is not political advertising. Texas Ethics Commission Rule 26.2 provides as follows:

For purposes of section 255.003 of the Election Code, a newsletter of a public officer of a political subdivision is not political advertising if:

- (1) It includes no more than two pictures of a public officer per page and if the total amount of area covered by the pictures is no more than 20 percent of the page on which the pictures appear;
- (2) It includes no more than eight personally phrased references (such as the public officer's name, "I", "me", "the city council member") on a page that is 8 ½" x 11" or larger, with a reasonable reduction in the number of such personally phrased references in pages smaller than 8 ½" x 11"; and
- (3) When viewed as a whole and in the proper context:

- (A) is informational rather than selfpromotional;
- (B) does not advocate passage or defeat of measure; and
- (C) does not support or oppose a candidate for nomination or election to a public office or office of political party, a political party, or a public officer.

The prohibition applies to any "officer or employee of a political subdivision." In other words, if an officer or employee of a political subdivision makes a decision to use political subdivision resources in violation of the prohibition, the employee could be fined by the Ethics Commission or held criminally liable. School board members, as "officers" of a school district, are also subject to the prohibition.

authorizing the spending of public funds" for political advertising. Not only does this mean that the political subdivision may not purchase or authorize the purchase of new materials for use in creating political advertising, it also means that a political subdivision would violate the prohibition by using existing paper and machinery to generate, display, or distribute political advertising.

Also, it is not permissible to use or authorize the use of the paid time of an employee of a political subdivision to create or distribute political advertising.

communication that factually describes the purposes" of a measure election. In other words, it is permissible to use the resources of a political subdivision to produce explanatory material about what is at stake in a measure election. However, the communication may not contain information that an officer an officer an officer and political subdivision knows is false. The information must not be sufficiently substantial and important, such that it would be reasonably likely to influence a voter to vote a certain way.

Campaign signs

Right of way

During campaign season, the landscape blooms with a special kind of flower - the political sign. Unlike wildflowers that are welcome anywhere, putting campaign signs on public lands is illegal. So before you plant that sign, learn the law and keep Texas beautiful. TxDOT only regulates campaign signs under chapter 394 of the Texas Transportation Code.

You need to know

- It is illegal to place any signs on or within the right of way. This includes posting signs on trees, telephone poles, traffic signs and other objects on the right of way.
- Campaign signs along Texas roads can be placed on private property with the owner's permission.
- Before placing a sign inside of incorporated city limits, check with the city for applicable ordinances.

More information can be found in the Political and Campaign Signs pamphlet.

Sign removal

If you've placed your sign in the right of way or it's posing a traffic hazard, we will remove it without prior notice. All costs associated with sign removal will be paid by the sign owner.

More information

TxDOT only controls the placement of signs in relation to the highway. For other questions concerning campaign signs or political advertising, you may wish to visit

INTRODUCTION

This guide is a summary of reporting requirements and other regulations set out in Title 15 of the Texas Election Code (Chs. 251-259) and in the rules adopted by the Texas Ethics Commission. This guide applies to candidates for and officeholders in most local offices in Texas.

This guide does not apply to candidates for or officeholders of statewide elective offices, the State Legislature, seats on the State Board of Education, or multi-county district offices. Nor does it apply to candidates for or judges of statutory county courts, statutory probate courts, or district courts.

IMPORTANT UPDATES

As directed by section 571.064 of the Texas Government Code, the Commission is required to annually adjust certain reporting thresholds upward to the nearest multiple of \$10 in accordance with the percentage increase for the previous year in the Consumer Price Index for Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor.

These changes will be made effective January 1st of each calendar year; the affected numbers and corresponding new thresholds are located in 1 T.A.C. §18.31, which can be found here: https://www.ethics.state.tx.us/rules/. The higher itemization thresholds will be reflected on the paper forms and in these instructions, as applicable.

Verify that you are using the correct thresholds and forms that apply to your filing. For example, if you are filing a campaign finance report or lobby activities report that is due in January of 2021, you must use the forms and instructions that are applicable to the period ending December 31, 2020.

OFFICEHOLDERS

Officeholders as well as candidates are subject to regulation under Title 15. An officeholder who has a campaign treasurer appointment on file with a filing authority is a "candidate" for purposes of Title 15 and is subject to all the regulations applicable to candidates. An officeholder who does not have a campaign treasurer appointment on file is subject only to the regulations applicable to officeholders.

Most of the requirements discussed in this guide apply to both candidates (individuals who have a campaign treasurer appointment on file) and to officeholders who do not have a campaign treasurer appointment on file. The guide will indicate whether a particular requirement applies to individuals who have campaign treasurer appointments on file, to officeholders who do not have campaign treasurer appointments on file, or to both.

JUDICIAL CANDIDATES AND OFFICEHOLDERS

Candidates for and officeholders in most judicial offices are subject to various restrictions that do not apply to other candidates and officeholders. Those candidates and officeholders should review the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS and the POLITICAL ADVERTISING GUIDE which are available on the commission's website.

Texas Ethics Commission Page 1 Revised 1/1/2023

Nonjudicial Officeholder Seeking Judicial Office. Pursuant to Op. Tex. Ethics Comm'n No. 465 (2005), a nonjudicial officeholder who becomes a judicial candidate is required to file two campaign finance reports, one reporting nonjudicial activity and the other reporting judicial activity. Alternatively, a nonjudicial officeholder who becomes a judicial candidate may select to file a single report that includes both candidate and officeholder activity if the activity is clearly and properly reported. *See* the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS for more information.

FEDERAL OFFICES

This guide does not apply to candidates for federal offices. Candidates for federal offices should contact the Federal Election Commission. The FEC's toll-free number is (800) 424-9530.

FILING AUTHORITIES

Title 15 requires candidates and officeholders to file various documents and reports with the appropriate filing authority.

The filing authority for a local candidate or officeholder depends on the nature of the office sought or held.

County Clerk. The county clerk (or the county elections administrator if the county has an elections administrator, or tax assessor-collector if the county's commissioners court has transferred the filing authority function to the tax assessor-collector and the county clerk and tax assessor-collector have agreed to the transfer) is the appropriate filing authority for a candidate for:

- a county office;
- a precinct office;
- a district office (except for multi-county district offices); and
- an office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

Other local filing authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer.

Texas Ethics Commission. The Texas Ethics Commission is the appropriate filing authority for candidates for:

• Multi-county district offices. (Reminder: This guide does not apply to multi-county district offices.)

Texas Ethics Commission Page 2 Revised 1/1/2023

• An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.

POLITICAL COMMITTEES (PACS)

Often a candidate or officeholder chooses to establish a specific-purpose political committee. A political committee is subject to *separate* filing requirements. Establishing a specific-purpose political committee does not relieve a candidate or officeholder of the obligation to file as an individual. For more information about political committees, see the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES.

FINANCIAL DISCLOSURE STATEMENTS

Some local candidates and officeholders are required to file an annual personal financial statement in accordance with Government Code Chapter 572 or Local Government Code Chapter 159. This statement is not a campaign finance document, and is not addressed in this guide.

FEDERAL INCOME TAX

This pamphlet does not address the federal tax implications of campaign finance. Questions regarding federal tax law should be directed to the Internal Revenue Service.

TEXAS ETHICS COMMISSION

If you have a question about how Title 15 applies to you, you may call the Ethics Commission for assistance or you may request a written advisory opinion.

The Ethics Commission has authority to impose fines for violations of Title 15. If you have evidence that a person has violated Title 15, you may file a sworn complaint with the Ethics Commission.

The Ethics Commission's mailing address is P.O. Box 12070, Austin, Texas 78711. The phone number is (512) 463-5800. The Ethics Commission maintains a website at www.ethics.state.tx.us.

APPOINTING A CAMPAIGN TREASURER

If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority before you become a candidate, even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

(A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the

Texas Ethics Commission Page 3 Revised 1/1/2023

Campaign Finance Guide for Candidates and Officeholders Who File with Local Filing Authorities

automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;

- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement:
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

NO CAMPAIGN CONTRIBUTIONS OR EXPENDITURES WITHOUT TREASURER APPOINTMENT ON FILE

Additionally, the law provides that you must file a campaign treasurer appointment form with the proper filing authority before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

APPOINTING TREASURER TRIGGERS REPORTING DUTIES

After a candidate has filed a form appointing a campaign treasurer, the candidate is responsible for filing periodic reports of contributions and expenditures. Filing reports is the responsibility of the candidate, not the campaign treasurer. Even if a candidate loses an election, he or she must continue filing reports until he or she files a final report. See "Ending Filing Obligations" in this guide. (An officeholder who files a final report, and thereby terminates his or her campaign treasurer appointment, may still be required to file semiannual reports of contributions and expenditures as an officeholder.)

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates

Texas Ethics Commission Page 4 Revised 1/1/2023

this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision.

DUTIES OF CAMPAIGN TREASURER

A candidate's campaign treasurer has no legal duties. (**Note:** The campaign treasurer of a *political committee* is legally responsible for filing reports.)

EFFECTIVE DATE OF APPOINTMENT

A campaign treasurer appointment is effective when filed. A hand-delivered appointment takes effect on the date of delivery. A mailed appointment takes effect on the date of the postmark.

CODE OF FAIR CAMPAIGN PRACTICES

A filing authority should provide to each individual who files a campaign treasurer appointment a form containing a Code of Fair Campaign Practices. A candidate may pledge to conduct his or her campaign in accordance with the principles and practices set out in the Code by signing the form and filing it with the appropriate filing authority.

APPOINTMENT BY OFFICEHOLDER

If an officeholder files an appointment of campaign treasurer after a period in which he or she did not have a campaign treasurer appointment on file, the officeholder may have to file a report of contributions and expenditures no later than 15 days after filing the appointment of campaign treasurer. See "15th Day After Appointment of Campaign Treasurer by Officeholder" in this guide. An officeholder who *changes* a campaign treasurer is not required to file this report.

Note: An officeholder who has a campaign treasurer appointment on file is a candidate for purposes of Title 15.

FILING FOR A PLACE ON THE BALLOT

Filing a campaign treasurer appointment and filing for a place on the ballot are two completely separate actions. The Secretary of State can provide information about filing for a place on the ballot. Call the Secretary of State at (512) 463-5650 or toll-free at (800) 252-8683.

CHANGING TREASURERS

A candidate may change campaign treasurers at any time by filing an amended appointment of campaign treasurer (FORM ACTA). Filing an appointment of a new treasurer automatically terminates the appointment of the old treasurer.

TRANSFERRING TO A DIFFERENT FILING AUTHORITY

If a candidate has a campaign treasurer appointment on file with one filing authority and wishes to accept campaign contributions or make campaign expenditures in connection with a candidacy for an office that would require reporting to a different filing authority, the candidate must file a new campaign treasurer appointment and a copy of the old campaign treasurer appointment (certified by original authority) with the second filing authority. The candidate should also

Texas Ethics Commission Page 5 Revised 1/1/2023

Campaign Finance Guide for Candidates and Officeholders Who File with Local Filing Authorities

provide written notice to the original filing authority that future reports will be filed with another authority. In general, funds accepted in connection with one office may be used in connection with a campaign for a different office, as long as neither of the offices is a judicial office.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

A candidate may terminate a campaign treasurer appointment by filing an amended appointment of campaign treasurer or by filing a final report.

A campaign treasurer may terminate his or her own appointment by notifying both the candidate and the filing authority in writing. The termination is effective on the date the candidate receives the notice or on the date the filing authority receives the notice, whichever is later.

DECIDING NOT TO RUN

A campaign treasurer appointment does not simply expire. An individual who has a campaign treasurer appointment on file must file reports of contributions and expenditures until he or she files a final report with the filing authority. *See* "Ending Filing Obligations" in this guide.

THINGS TO REMEMBER

- If you plan to run for a public office in Texas (except for a federal office), you must file an Appointment of a Campaign Treasurer by a Candidate (Form CTA) with the proper filing authority before you become a candidate, even if you do not intend to accept campaign contributions or make campaign expenditures.
- A person may not accept a campaign contribution or make a campaign expenditure
 unless the person has a campaign treasurer appointment on file with the proper filing
 authority.
- Once a person files a form appointing a campaign treasurer, the person is a candidate for disclosure filing purposes and is responsible for filing periodic reports of contributions and expenditures with the proper filing authority until the person files a "final report."
- The candidate, not the campaign treasurer, is responsible for filing periodic reports of contributions and expenditures.
- Filing a campaign treasurer appointment does not automatically "sign you up" for a place on the ballot. The Secretary of State can provide information about getting on the ballot. Call (512) 463-5650 or (800) 252-8683.

Texas Ethics Commission Page 6 Revised 1/1/2023

POLITICAL CONTRIBUTIONS AND EXPENDITURES

Title 15 regulates political contributions and political expenditures. There are two types of political contributions: campaign contributions and officeholder contributions. Similarly, there are two kinds of political expenditures: campaign expenditures and officeholder expenditures.

CAMPAIGN CONTRIBUTIONS

A person makes a campaign contribution to a candidate if the person provides or promises something of value with the intent that it be used in connection with a campaign. A contribution of goods or services is an "in-kind" campaign contribution. A loan is considered to be a contribution unless it is from an incorporated financial institution that has been in business for more than a year. Candidates must report all loans made for campaign purposes, including loans that are not "contributions."

- Donations to a candidate at a fund-raiser are campaign contributions.
- The provision of office space to a candidate is an "in-kind" campaign contribution.
- A promise to give a candidate money is a campaign contribution.
- An item donated to be auctioned at a fund-raiser is an "in-kind" campaign contribution. The purchase of the item at the auction is also a contribution.
- A campaign volunteer is making a contribution in the form of personal services. (Contributions of personal services are sometimes not required to be reported. See "Contributions of Personal Services" in this guide.)

Note: An individual may not accept a campaign contribution without an appointment of campaign treasurer on file with the proper filing authority.

CAMPAIGN EXPENDITURES

A campaign expenditure is a payment or an agreement to make a payment in connection with a campaign for an elective office.

- Paying a filing fee in connection with an application for a place on a ballot is a campaign expenditure.
- Purchasing stationery for fund-raising letters is a campaign expenditure.
- Renting a field to hold a campaign rally is a campaign expenditure.
- Paying people to put up yard signs in connection with an election is a campaign expenditure.

Note: An individual may not make a campaign expenditure unless he or she has a campaign treasurer appointment on file with the proper filing authority.

Texas Ethics Commission Page 7 Revised 1/1/2023

OFFICEHOLDER CONTRIBUTIONS

The provision of or a promise to provide goods or services to an officeholder that is intended to defray expenses in connection with an officeholder's duties or activities is an officeholder contribution if the expenses are not reimbursable with public money. A contribution of goods or services is an "in-kind" officeholder contribution.

A loan from an incorporated financial institution that has been in business for more than a year is not considered a contribution, but an officeholder must report any such loans made for officeholder purposes.

An officeholder is not required to have a campaign treasurer appointment on file to accept officeholder contributions. An officeholder who does not have a campaign treasurer on file may not accept *campaign* contributions.

OFFICEHOLDER EXPENDITURES

A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities is an officeholder expenditure if the expenses are not reimbursable with public money.

An officeholder is not required to have a campaign treasurer appointment on file to make officeholder expenditures. An officeholder who does not have a campaign treasurer on file may not make *campaign* expenditures.

CAMPAIGN EXPENDITURES BY OFFICEHOLDER

An officeholder who has a campaign treasurer appointment on file may accept both campaign contributions and officeholder contributions and make both campaign expenditures and officeholder expenditures. On a report, there is no need for an officeholder who is a candidate to distinguish between campaign contributions and officeholder contributions or between campaign expenditures and officeholder expenditures. Both campaign contributions and officeholder contributions are reported as "political contributions" and both campaign expenditures and officeholder expenditures are reported as "political expenditures."

An officeholder who does not have a campaign treasurer on file may accept officeholder contributions and make officeholder expenditures but may not accept campaign contributions or make campaign expenditures.

PERMISSIBLE USE OF POLITICAL CONTRIBUTIONS

An officeholder may use officeholder contributions for campaign purposes if the officeholder has an appointment of campaign treasurer on file. Candidates and officeholders may not convert political contributions to personal use. *See* "Campaign Finance Restrictions" in this guide.

USE OF POLITICAL FUNDS TO RENT OR PURCHASE REAL PROPERTY

A candidate or officeholder is prohibited from using political funds to purchase real property or

Texas Ethics Commission Page 8 Revised 1/1/2023

to pay the interest on or principal of a note for the purchase of real property.

A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Tex. Elec. Code § 253.038 (a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

ACCEPTING CONTRIBUTIONS

A candidate or officeholder must report contributions that he or she has *accepted*. Receipt is different from acceptance. A decision to *accept* a contribution must be made by the end of the reporting period during which the contribution is received.

Failure to make a determination about acceptance or refusal. If a candidate or officeholder fails to make a timely determination to accept or refuse a contribution by the deadline, the contribution is considered to have been accepted.

Returning refused contributions. If a candidate or officeholder receives a political contribution but does not accept it, he or she must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. Otherwise, the contribution is considered to have been accepted.

REIMBURSEMENT FOR POLITICAL EXPENDITURES FROM PERSONAL FUNDS

If a candidate or officeholder makes political expenditures from personal funds, he or she may use political contributions to reimburse himself or herself if the expenditures are properly reported either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. In order for a candidate or officeholder to use political contributions to reimburse his or her personal funds, the political expenditure from personal funds must be properly reported on the report covering the period in which the expenditures are made. A filed report may not be later corrected to indicate an intention to reimburse personal funds from political contributions.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan and reimbursements to the candidate or officeholder may not exceed the amount reported as a loan. See "Campaign Expenditures from Personal Funds" in this guide for additional information.

SEPARATE ACCOUNT REQUIRED

A candidate or officeholder must keep political contributions in one or more accounts that are separate from any other account maintained by the candidate or officeholder. (There is no

Texas Ethics Commission Page 9 Revised 1/1/2023

Campaign Finance Guide for Candidates and Officeholders Who File with Local Filing Authorities

requirement to keep campaign contributions in a separate account from officeholder contributions.)

RESTRICTIONS INVOLVING LOBBYING

The 2019 legislature passed House Bill 2677 to amend Chapter 305 of the Government Code and Chapter 253 of the Election Code to enact the following restrictions. Each prohibition begins on September 27, 2019. For the language of the bill, go to https://capitol.texas.gov/tlodocs/86R/billtext/html/HB02677F.htm.

Making Political Contributions and Direct Campaign Expenditures. Unless expressly prohibited, a lobbyist may make political contributions and direct campaign expenditures. The campaign finance law, however, generally prohibits corporations and labor organizations from making political contributions. Tex. Elec. Code § 253.094.

Section 253.006 of the Election Code prohibits a person required to register as a lobbyist under Chapter 305 of the Government Code from making political contributions or direct campaign expenditures from certain sources of funds. A person required to register as a lobbyist is prohibited from making or authorizing a political contribution to another candidate, officeholder, or political committee, or making or authorizing a direct campaign expenditure, from political contributions accepted by:

- (1) the lobbyist as a candidate or officeholder;
- (2) a specific-purpose committee that supports the lobbyist as a candidate or assists the lobbyist as an officeholder; or
- (3) a political committee that accepted a political contribution from (1) or (2), described above, during the two years immediately before the contribution or expenditure was made.

Two-Year Lobbying Prohibition After Making a Political Contribution or Direct Campaign Expenditure. Section 253.007 of the Election Code prohibits lobbying by persons who make political contributions or direct campaign expenditures from certain sources of funds. A person who makes a political contribution to another candidate, officeholder, or political committee, or makes a direct campaign expenditure, from political contributions accepted by the person as a candidate or officeholder is prohibited from engaging in activities that require registration as a lobbyist under Chapter 305 of the Government Code for two years thereafter.

However, an exception to this prohibition allows a person who does not receive compensation other than reimbursement for actual expenses to lobby on behalf of a nonprofit organization, a group of low-income individuals, or a group of individuals with disabilities.

Lobby Expenditures from Political Contributions. Section 305.029 of the Government Code prohibits certain lobby expenditures made from political contributions. A lobbyist registered under Chapter 305 of the Government Code, or a person on behalf of the lobbyist and with the lobbyist's consent or ratification, is prohibited from making a reportable lobby expenditure from a political contribution accepted by:

(1) the lobbyist as a candidate or officeholder;

Texas Ethics Commission Page 10 Revised 1/1/2023

- (2) a specific-purpose committee that supports the lobbyist as a candidate or assists the lobbyist as an officeholder; or
- (3) a political committee that accepted a political contribution from (1) or (2), described above, during the two years immediately before the lobbyist made or authorized the expenditure.

INFORMATION REQUIRED ON REPORTS

CONTRIBUTIONS

A report must disclose the amount of each contribution or the value and nature of any in-kind contribution, as well as the name and address of the individual or political committee making the contribution, and the date of the contribution. (Detailed information about a contributor is not required to be reported if the contributor contributed \$100 or less during the reporting period. However, all contributions made electronically must be itemized with this information.)

PLEDGES

Promises to transfer money, goods, services, or other things of value are contributions. If a filer accepts such a promise, he or she must report it (along with the information required for other contributions) on the reporting schedule for "pledges." Once a pledge has been received, it is reported on the appropriate receipts schedule for the reporting period in which the pledge is received. A pledge that is actually received in the same reporting period in which the pledge was accepted shall be reported only on the appropriate receipts schedule.

Note: A pledge is not a contribution unless it has been accepted.

Example 1: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must report the pledge on his July 15 report. Juan must also report a political contribution when the pledge is actually received. (Note: If Juan receives the pledge during the July semiannual reporting period then he does not report the pledge and only reports a political contribution. Also, if he never receives the \$1,000, he does not amend his report to delete the entry for the pledge.)

Example 2: At a party, an acquaintance says to Juan, "I'd like to give you some money; call me at my office." Juan agrees to call. At this point, Juan has accepted nothing and has nothing to report. Juan has not agreed to accept money; he has merely agreed to call.

LOANS

Loans made for campaign or officeholder purposes are reportable. A filer must report the amount of a loan, the date the loan is made, the interest rate, the maturity date, the type of collateral, and the name and address of the lender. The filer must also report the name, address, principal occupation, and employer of any guarantor and the amount guaranteed by the guarantor. (Detailed information is not required if a particular lender lent \$100 or less during a reporting period.) If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan. See "Campaign Expenditures from Personal"

Texas Ethics Commission Page 11 Revised 1/1/2023

Funds" in this guide for additional information.

Note: A loan from an incorporated financial institution that has been in business for more than one year is not a contribution. Other loans are considered to be contributions. This distinction is important because of the prohibition on contributions from banks and certain other financial institutions. See "Campaign Finance Restrictions" in this guide. All loans are reported on the same schedule, regardless of whether they are contributions. Additionally, the forgiveness of a loan is a reportable in-kind contribution. See 1 Tex. Admin. Code § 20.64.

CONTRIBUTIONS OF PERSONAL SERVICES

A political contribution consisting of an individual's personal services is not required to be reported if the individual receives no compensation *from any source* for the services.

CONTRIBUTIONS OF PERSONAL TRAVEL

A political contribution consisting of personal travel expense incurred by an individual is not required to be reported if the individual receives no reimbursement for the expense.

CONTRIBUTIONS FROM OUT-OF-STATE POLITICAL COMMITTEES

There are restrictions on contributions from out-of-state political committees. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state political committee for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state political committee for purposes of these restrictions.

Contributions over \$1,010 in a reporting period. Before accepting more than \$1,010 in a reporting period from an out-of-state committee, a candidate or officeholder must obtain either (1) a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than \$200 to the out-of-state political committee during the 12 months immediately preceding the contribution, or (2) a copy of the out-of-state political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee.

This documentation must be included with the report of contributions and expenditures for the period in which the contribution was received.

Contributions of \$1,010 or less in a reporting period. For a contribution of \$1,010 or less from an out-of-state committee in a reporting period, there is no requirement to obtain documentation before accepting the contribution. But there is a requirement to include certain documentation with the report of the contribution. The report must include either (1) a copy of the out-of-state political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee, or (2) the committee's name, address, and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address, and phone number of the committee's campaign treasurer.

Texas Ethics Commission Page 12 Revised 1/1/2023

EXPENDITURES

A filer must report any campaign expenditure (regardless of whether it is made from political contributions or from personal funds) and any political expenditure (campaign or officeholder) from political contributions (regardless of whether the expenditure is a political expenditure). A filer must also report unpaid incurred obligations. See "Unpaid Incurred Obligations" in this guide. If the total expenditures to a particular payee do not exceed \$200 during the reporting period, a filer may report those expenditures as part of a lump sum. Otherwise, a filer must report the date of an expenditure, the name and address of the person to whom the expenditure is made, and the purpose of the expenditure.

UNPAID INCURRED OBLIGATIONS

An expenditure that is not paid during the reporting period in which the obligation to pay the expenditure is incurred shall be reported on the Unpaid Incurred Obligations Schedule for the reporting period in which the obligation to pay is incurred.

The use of political contributions to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the appropriate disbursements schedule for the reporting period in which the payment is made.

The use of personal funds to pay an expenditure previously disclosed on an Unpaid Incurred Obligations Schedule shall be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made.

EXPENDITURES MADE BY CREDIT CARD

An expenditure made by a credit card must be reported on the Expenditures Made to Credit Card Schedule for the reporting period in which the expenditure is made. The report must identify the vendor who receives the payment from the credit card company.

The use of political contributions to make a payment to a credit card company must be reported on the appropriate disbursements schedule for the reporting period in which the payment is made and identify the credit card company receiving the payment.

The use of personal funds to make a payment to a credit card company must be reported on the Political Expenditure Made from Personal Funds Schedule for the reporting period in which the payment is made and identify the credit card company receiving the payment.

CAMPAIGN EXPENDITURES FROM PERSONAL FUNDS

A candidate must report all campaign expenditures, whether made from political contributions or from personal funds. In order to use political contributions to reimburse himself or herself for campaign expenditures from personal funds, the candidate must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the candidate does not indicate the intention to seek reimbursement on that report, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited

Texas Ethics Commission Page 13 Revised 1/1/2023

amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F1. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

OFFICEHOLDER EXPENDITURES FROM PERSONAL FUNDS

An officeholder is not required to report officeholder expenditures made from personal funds unless he or she intends to be reimbursed from political contributions. This rule applies regardless of whether an officeholder has an appointment of campaign treasurer on file.

In order for an officeholder to use political contributions to reimburse an officeholder expenditure from personal funds, the officeholder must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the officeholder does not indicate the intention to seek reimbursement, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F1. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

DIRECT EXPENDITURES

A direct campaign expenditure is "a campaign expenditure that does not constitute a campaign contribution by the person making the expenditure." As a practical matter, a direct campaign expenditure is an expenditure to support a candidate incurred without the candidate's prior consent or approval.

If a candidate or officeholder makes a direct campaign expenditure to support *another* candidate or officeholder, the expenditure must be included on the reporting schedule for political expenditures, and the report must indicate that the expenditure was a direct campaign expenditure.

SUPPORTING POLITICAL COMMITTEES

A political committee that accepts political contributions or makes political contributions on behalf of a candidate or officeholder is required to give the candidate or officeholder notice of that fact. The candidate or officeholder must report the receipt of such a notice on the report covering the period in which he or she receives the notice.

Texas Ethics Commission Page 14 Revised 1/1/2023

PAYMENTS TO A BUSINESS OF THE CANDIDATE OR OFFICEHOLDER

A candidate or officeholder is required to report payments from political funds to a business in which the candidate or officeholder has a participating interest of more than 10 percent; a position on the governing body of the business; *or* a position as an officer of a business.

A candidate or officeholder may not make a payment to such a business if the payment is for personal services rendered by the candidate or officeholder or by the spouse or dependent child of the candidate or officeholder. (Nor may a candidate or officeholder use political contributions to pay directly for such personal services.) Other payments to such a business are permissible only if the payment does not exceed the amount necessary to reimburse the business for actual expenditures made by the business. See generally Op. Tex. Ethics Comm'n No. 35 (1992).

A candidate or officeholder may not make or authorize a payment from political funds for the rental or purchase of real property from such a business. *See* "Use of Political Funds to Rent or Purchase Real Property" in this guide.

INTEREST EARNED AND OTHER CREDITS/GAINS/REFUNDS

A candidate or officeholder is required to disclose information regarding the following types of activity from political contributions:

- any credit, interest, rebate, refund, reimbursement, or return of a deposit fee resulting from the use of a political contribution or an asset purchased with a political contribution, the amount of which exceeds \$130;
- any proceeds of the sale of an asset purchased with a political contribution, the amount of which exceeds \$130; and
- any other gain from a political contribution, the amount of which exceeds \$130.

A candidate or officeholder must use Schedule K to report such information. Although you are not required to do so, you may also report any credit/gain/refund or interest that does not exceed \$130 in the period on this schedule. (Previously, this was an optional schedule because a candidate or officeholder was not required to report this information.) A candidate or officeholder may not use interest and other income from political contributions for personal purposes. Political expenditures made from such income must be reported on the expenditures schedule.

PURCHASE OF INVESTMENTS

A candidate or officeholder must report any investment purchased with a political contribution, the amount of which exceeds \$130. This information must be disclosed on Schedule F3 of the campaign finance report.

TOTAL POLITICAL CONTRIBUTIONS MAINTAINED

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which

Texas Ethics Commission Page 15 Revised 1/1/2023

political contributions are deposited as of the last day of the reporting period. The "total amount of political contributions maintained" includes: the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer. 1 Tex. Admin. Code § 20.50.

The total amount of political contributions maintained does NOT include personal funds that the filer intends to use for political expenditures, *unless* the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

TIME OF ACCEPTING CONTRIBUTION

A filer must report the date he or she *accepts* a political contribution. The date of receipt may be different from the date of acceptance. See "Accepting Contributions" in this guide.

TIME OF MAKING EXPENDITURE

For reporting purposes, an expenditure is made when the amount of the expenditure is readily determinable. An expenditure that is not paid during the reporting period in which the obligation to pay is incurred must be reported on the reporting schedule for "Unpaid Incurred Obligations," and then reported again on the appropriate expenditure schedule when payment is actually made. If a filer cannot determine the amount of an expenditure until a periodic bill, the date of the expenditure is the date the bill is received.

Credit Card Expenditures. For purposes of 30 day and 8 day pre-election reports, the date of an expenditure made by a credit card is the date of the purchase, not the date of the credit card bill. For purposes of other reports, the date of an expenditure made by a credit card is the date of receipt of the credit card statement that includes the expenditure. For additional information regarding how to report expenditures made by credit card, *see* "Expenditures Made by Credit Card" in this guide.

PREPARING REPORTS

FORMS

Reporting forms are available at http://www.ethics.state.tx.us. An individual who is both a candidate and an officeholder files one report for each reporting period and is not required to distinguish between campaign activity and officeholder activity.

Texas Ethics Commission Page 16 Revised 1/1/2023

SIGNATURE REQUIRED

The candidate or officeholder, not the campaign treasurer, must sign reports.

FILING DEADLINES

The next section of this guide explains the types of reports candidates and officeholders are required to file. Annual filing schedules are available at http://www.ethics.state.tx.us.

Note: Deadlines for filing reports for special elections or runoff elections will not be listed on the filing schedule. Call the Ethics Commission for specific information in these cases.

PERIODS COVERED BY REPORTS

Each report covers activity during a specific time period. Generally, a report begins where the last report ended. For a candidate's first report, the beginning date will be the date the campaign treasurer appointment was filed. For an officeholder who is appointed to an elective office and who did not have a campaign treasurer appointment on file at the time of the appointment, the beginning date for the first report will be the date the officeholder took office. Generally, there should not be gaps between the periods covered or overlapping time periods. See "Reports" below for information about filing deadlines and periods covered by reports.

DEADLINE ON WEEKEND OR HOLIDAY

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

5 P.M. DEADLINE

The deadline for filing a report is 5 p.m. on the due date.

DELIVERY BY MAIL OR OTHER CARRIER

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

RETENTION OF RECORDS USED FOR REPORTS

A filer must keep records of all information used to prepare a report of contributions and expenditures, including, for example, receipts or ledgers of contributions and expenditures. A filer must maintain the records for two years after the deadline for the report.

Texas Ethics Commission Page 17 Revised 1/1/2023

REPORTS

SEMIANNUAL REPORTS

Generally, candidates and officeholders are required to file reports of contributions and expenditures by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports. These reports must be filed even if there is no activity to report for the period covered.

However, there is an exception to this requirement for officeholders who file with a local filing authority, do not have a campaign treasurer appointment on file, and do not accept more than \$1,010 in officeholder contributions or make more than \$1,010 in officeholder expenditures during the period covered by the report.

REPORTS DUE 30 DAYS AND 8 DAYS BEFORE AN ELECTION

An *opposed* candidate in an upcoming election must file reports of contributions and expenditures 30 days and 8 days before the election. Each of these pre-election reports must be *received* by the appropriate filing authority no later than the report due date. (A person who has elected modified reporting and who remains eligible for modified reporting is not required to file these reports. *See* "Modified Reporting" in this guide.)

An opposed candidate is a candidate who has an opponent whose name is printed on the ballot. If a candidate's only opposition is a write-in candidate, that candidate is considered unopposed for filing purposes. (Note: A write-in candidate who accepts political contributions or makes political expenditures is subject to the reporting requirements discussed in this guide.)

The report that is due 30 days before the election covers the period that begins on the first day after the period covered by the last required report and ends the 40th day before the election. If this is a filer's first required report, the period covered by the report begins on the day the filer filed a campaign treasurer appointment.

The report that is due 8 days before the election covers the period that begins on the first day after the period covered by the last required report and ends on the 10th day before the election.

REPORT DUE 8 DAYS BEFORE A RUNOFF ELECTION

A candidate in a runoff must file a report 8 days before the runoff election. A runoff report must be *received* by the appropriate filing authority no later than the report due date. (A candidate who has elected modified reporting and who remains eligible for modified reporting is not required to file this report. *See* "Modified Reporting" below.)

This report covers a period that begins either the first day after the period covered by the last required report or the day the filer filed a campaign treasurer appointment (if this is the filer's first report of contributions and expenditures). The period covered by the runoff report ends the 10th day before the runoff election.

Texas Ethics Commission Page 18 Revised 1/1/2023

MODIFIED REPORTING

On the campaign treasurer appointment form, there is an option to choose modified reporting for the next election cycle. Modified reporting excuses an opposed candidate from filing reports 30 days and 8 days before an election and 8 days before a runoff. An opposed candidate is eligible for modified reporting only if the candidate does not intend to exceed either \$1,010 in contributions or \$1,010 in expenditures (excluding filing fees) in connection with an election.

If an opposed candidate selects modified reporting but exceeds a threshold before the 30th day before the election, the candidate must file reports 30 days and 8 days before the election.

If an opposed candidate selects modified reporting but exceeds the \$1,010 threshold for contributions or expenditures after the 30th day before the election, the filer must file a report within 48 hours of exceeding the threshold. (The filer must meet this deadline even if it falls on a weekend or a holiday.) At that point, the filer is no longer eligible for modified reporting and must file according to the regular filing schedule.

A selection to file on the modified reporting schedule lasts for an entire election cycle. In other words, the selection is valid for a primary, a primary runoff, and a general election (as long as the candidate does not exceed one of the \$1,010 thresholds). A candidate must submit an amended campaign treasurer appointment (FORM ACTA) to select modified reporting for a different election cycle.

"15TH DAY AFTER APPOINTMENT OF CAMPAIGN TREASURER BY AN OFFICEHOLDER" REPORT

An officeholder must file a report after filing a campaign treasurer appointment. (A report is not required after a *change* in campaign treasurers.) This report of contributions and expenditures is due no later than 15 days after the campaign treasurer appointment was filed. The report must cover the period that begins the day after the period covered by the last required report. The period ends on the day before the campaign treasurer appointment was filed. (**Note:** A person who is *appointed* to elective office may not have filed any previous reports. In that case, the beginning date for the report due 15 days after the campaign treasurer appointment is the date the officeholder took office.) The report is not required if the officeholder did not accept more than \$1,010 in contributions or make more than \$1,010 in expenditures by the end of the reporting period.

THINGS TO REMEMBER

- An officeholder must file semiannual reports for any period during which he or she is an officeholder. (There is an exception to this rule for officeholders who do not have a campaign treasurer appointment on file and who do not accept more than \$1,010 in political contributions or make more than \$1,010 in political expenditures during the period covered by the report.)
- An opposed candidate in an election must file reports of contributions and expenditures 30 days and 8 days before the election, unless the candidate has selected (and remains eligible for) modified reporting. An opposed candidate who has not selected modified reporting must also file a report 8 days before a runoff election. A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date.
- An unopposed candidate is not required to file reports 30 days before an election or 8 days before an election but is required to file semiannual reports.
- A candidate who selects modified reporting must file semiannual reports.

A filer who selects modified reporting for one election cycle will be required to file on the regular reporting schedule for the next election cycle unless the filer submits an amended campaign treasurer appointment selecting modified reporting for the next election cycle.

ENDING FILING OBLIGATIONS

FINAL REPORT

If a filer expects to accept no further political contributions and to make no further political expenditures and if the filer expects to take no further action to get elected to a public office, the filer may file a final report. Filing a final report terminates a filer's campaign treasurer appointment and relieves the filer from any additional filing obligations as a candidate. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with Chapter 572 of the Government Code or Chapter 159 of the Local Government Code.) If the filer is an officeholder, the filer will still be subject to the filing requirements applicable to officeholders. A filer who is not an officeholder at the time of filing a final report and who has surplus political funds or assets will be required to file annual reports of unexpended contributions and a report of final disposition of unexpended contributions. See "Annual Report of Unexpended Contributions" and "Report of Final Disposition of Unexpended Contributions" below.

A filer who intends to continue accepting contributions to pay campaign debts should *not* terminate his or her campaign treasurer appointment. An individual must have a campaign treasurer appointment on file to accept contributions to offset campaign debts or to pay campaign debts.

Texas Ethics Commission Page 20 Revised 1/1/2023

Terminating a campaign treasurer appointment does not relieve a filer of responsibility for any delinquent reports or outstanding civil penalties.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

The following individuals must file annual reports of unexpended contributions:

- a former officeholder who did not have a campaign treasurer appointment on file at the time of leaving office and who retained any of the following after filing his or her last report: political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions.
- a former candidate (a person who previously had a campaign treasurer appointment on file) who was not an officeholder at the time of filing a final report and who retained any of the following at the time of filing a final report: political contributions, interest or other income from political contributions, or assets purchased with political contributions.

Annual reports are due not earlier than January 1 and not later than January 15 of each year. An annual report (FORM C/OH-UC) must contain the following information: (1) information about expenditures from or disposition of surplus funds or assets; (2) the amount of interest or other income earned on surplus funds during the previous year; and (3) the total amount of surplus funds and assets at the end of the previous year.

The obligation to file annual reports ends when the former candidate or officeholder files a report of final disposition of unexpended contributions.

REPORT OF FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS

A former candidate or former officeholder who has disposed of all surplus funds and assets must file a report of final disposition of unexpended contributions. This report may be filed as soon as all funds have been disposed of.

A former candidate or former officeholder has six years from the date of filing a final report or leaving office (whichever is later) to dispose of surplus funds and assets. The latest possible date for filing a report of unexpended contributions is 30 days after the end of that six-year period.

At the end of the six-year period, a former candidate or officeholder *must* dispose of surplus assets or funds in one of the following ways:

- The former candidate or officeholder may give them to the political party with which he or she was affiliated when last on the ballot;
- The former candidate or officeholder may contribute them to a candidate or a political committee. (This triggers a requirement to file a report of the contribution.);
- The former candidate or officeholder may give them to the comptroller for deposit in the state treasury to be used to finance primary elections;

Texas Ethics Commission Page 21 Revised 1/1/2023

Campaign Finance Guide for Candidates and Officeholders Who File with Local Filing Authorities

- The former candidate or officeholder may give them to one or more contributors, but the total returned to any person may not exceed the aggregate amount accepted from that person during the last two years during which the former candidate or officeholder accepted political contributions;
- The former candidate or officeholder may give them to certain charitable organizations; or
- The former candidate or officeholder may give them to a public or private post-secondary educational institution or an institution of higher education as defined by section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

THINGS TO REMEMBER

- Anyone who has an appointment of campaign treasurer on file must file periodic reports of campaign contributions and expenditures.
- An individual who expects no further reportable activity in connection with his or her candidacy, files a final report and thereby terminates his or her campaign treasurer appointment. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with Chapter 572 of the Government Code or Chapter 159 of the Local Government Code.)
- An officeholder may be required to file semiannual reports even if he or she does not have a campaign treasurer appointment on file. A local officeholder who has not accepted more than \$1,010 in contributions or made more than \$1,010 in expenditures in a semiannual period since terminating his or her campaign treasurer appointment is not required to file a semiannual report for that period.

PENALTIES FOR REPORTING VIOLATIONS

Any citizen may file a criminal complaint with the district attorney, a civil complaint with the Ethics Commission, or a civil action against a candidate or officeholder for violations of Title 15. Any penalty stemming from such complaints would be assessed against *the candidate or officeholder*, not the campaign treasurer.

CAMPAIGN FINANCE RESTRICTIONS

Chapter 253 of the Election Code contains a number of restrictions regarding the acceptance and use of political contributions, including the following:

1. An individual may not accept a campaign contribution or make a campaign expenditure (including a campaign expenditure from personal funds) without a campaign treasurer appointment on file. Tex. Elec. Code § 253.031. An officeholder may accept officeholder contributions and make officeholder

expenditures regardless of whether he or she has a campaign treasurer appointment on file.

- 2. Political contributions from labor organizations and from most corporations are prohibited. Tex. Elec. Code § 253.091, *et seq.* Partnerships that include one or more corporate partners are subject to the prohibition.
- 3. Certain documentation must be obtained in order to accept contributions from an out-of-state political committee. Tex. Elec. Code § 253.032. See "Contributions from Out-of-State Political Committees" in this guide.
- 4. Cash contributions of more than \$100 in the aggregate from one contributor in a reporting period are prohibited. (Here "cash" means coins and currency, not checks.) Tex. Elec. Code § 253.033.
- 5. The use of political contributions to purchase real property is prohibited. There is also a restriction on the use of political funds to rent or purchase real property from a person related to the candidate or officeholder within the second degree of consanguinity or affinity or from a business in which the candidate or officeholder or such a relative has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Tex. Elec. Code § 253.038.
- 6. Texas law does not allow anonymous contributions. Also, reports must disclose the actual source of a contribution, not an intermediary. Tex. Elec. Code § 253.001.
- 7. Personal use of political contributions is prohibited. Tex. Elec. Code § 253.035.
- 8. A candidate or officeholder may not use political contributions to pay for personal services rendered by the candidate or officeholder or by the spouse, or dependent children of the candidate or officeholder. There are also restrictions of a candidate's or officeholder's use of political contributions to make payments to a business in which the candidate or officeholder holds a participating interest of more than 10 percent, a position on the governing body of the business, or a position as an officer of the business. *See* to Op. Tex. Ethics Comm'n No. 35 (1992) (regarding the combined effect of this prohibition and the prohibition on corporate contributions). Tex. Elec. Code § 253.041.

There are restrictions on the use of political contributions to reimburse political expenditures from personal funds. See "Reimbursement for Political Expenditures from Personal Funds," in this guide.

- 9. A candidate, officeholder, or political committee may not accept political contributions in the Capitol, the Capitol Extension, or a courthouse. "Courthouse" means any building owned by the state, a county, or a municipality, or an office or part of a building leased to the state, a county, or a municipality, in which a justice or judge sits to conduct court proceedings. Tex. Elec. Code § 253.039.
- 10. A person required to register as a lobbyist is prohibited from making or authorizing a political contribution to another candidate, officeholder, or political committee, or

making or authorizing a direct campaign expenditure, from political contributions accepted by: (1) the lobbyist as a candidate or officeholder; (2) a specific-purpose committee that supports or assists the lobbyist as a candidate or officeholder; or (3) a political committee that accepted a political contribution from (1) or (2), described above, during the two years immediately before the contribution or expenditure was made. Tex. Elec. Code § 253.006.

- 11. A person who makes a political contribution to another candidate, officeholder, or political committee, or makes a direct campaign expenditure, from political contributions accepted by the person as a candidate or officeholder is prohibited from engaging in activities that require registration as a lobbyist for two years thereafter. This does not apply to a person who does not receive compensation other than reimbursement for actual expenses to lobby on behalf of a nonprofit organization, a group of low-income individuals, or a group of individuals with disabilities. Tex. Elec. Code § 253.007.
- 12. A registered lobbyist, or a person on behalf of the lobbyist and with the lobbyist's consent or ratification, is prohibited from making a reportable lobby expenditure from a political contribution accepted by: (1) the lobbyist as a candidate or officeholder; (2) a specific-purpose committee that supports or assists the lobbyist as a candidate or officeholder; or (3) a political committee that accepted a political contribution from (1) or (2), described above, during the two years immediately before the lobbyist made or authorized the expenditure. Tex. Gov't Code § 305.029.

TEXAS ETHICS COMMISSION 2024 FILING SCHEDULE FOR REPORTS DUE IN CONNECTION WITH ELECTIONS HELD ON UNIFORM ELECTION DATES

This is a filing schedule for reports to be filed in connection with elections held on uniform election dates in May and November. Examples of elections held on uniform election dates are elections for school board positions and city offices. The uniform election dates in 2024 are May 4 and November 5.

Candidates and officeholders must file semiannual reports (due on January 16, 2024, and July 15, 2024). In addition, a candidate who has an opponent on the ballot in an election held on a uniform election date must file two pre-election reports (unless the candidate has elected modified reporting).

The campaign treasurer of a political committee that is involved in an election held on a uniform election date must also file pre-election reports (unless the committee is a general-purpose political committee that files monthly or a specific-purpose political committee that files on the modified reporting schedule). This schedule sets out the due dates for pre-election reports in connection with elections on uniform election dates. Please consult the 2024 REGULAR FILING SCHEDULE FOR GENERAL-PURPOSE POLITICAL COMMITTEES (GPAC), COUNTY EXECUTIVE COMMITTEES (CEC), AND SPECIFIC-PURPOSE POLITICAL COMMITTEES (SPAC) for a complete listing of political committee deadlines.

Candidates for and officeholders in local offices regularly filled at the general election for state and county officers (the November election in even-numbered years) should use the 2024 FILING SCHEDULE FOR CANDIDATES AND OFFICEHOLDERS FILING WITH THE COUNTY CLERK OR ELECTIONS ADMINISTRATOR.

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE - This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline where applicable. A report transmitted to the Texas Ethics Commission over the Internet is considered timely filed if it is transmitted by midnight, Central Time Zone, on the night of the filing deadline. For most filing deadlines, a report filed on paper is considered timely filed if it is deposited with the U.S. Post Office or a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to the filing authority by the filing deadline. Pre-Election Reports: A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date to be considered timely filed.

<u>COLUMN II: TYPE OF REPORT (WHO FILES)</u> - This column gives the report type and explains which reporting form to use and which filers are required to file the report.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The "date of campaign treasurer appointment" is the beginning date only for the *first* report filed after filing a campaign treasurer appointment. For officeholders recently appointed to an elective office, the beginning date for the first report will be the date the officeholder took office, provided that he or she was not already filing as an officeholder or candidate at the time of the appointment. (NOTE: If you are ever confused about the beginning date for a required report, remember this rule: There should never be gaps between reporting periods and, generally, there should not be overlaps.)

<u>COLUMN IV: ENDING DATE OF PERIOD COVERED</u> - This column sets out the ending date of the time period covered by the report. The report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES or the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES for further information.

- 1. Determine whether you will have any further reportable activity in your campaign.
- 2. Designate the report covering the last reporting period you need to file as your final report if you expect no additional reportable activity in connection with your candidacy. Your final report:
 - a. Relieves you of the duty to file additional reports that are required of a candidate; and
 - b. Terminates your campaign treasurer appointment.
- 3. Determine whether you have unexpended contributions (leftover funds or assets) when you file your final report. If you have no unexpended contributions, you have ended your candidacy by filing the final report and you do not need to take any further action with your local filing authority.
- 4. File annual reports of unexpended contributions if you have leftover funds or assets.
- 5. Dispose of unexpended contributions in a specified manner within six years of filing your final report. (See Campaign Finance Guide for Candidates and Officeholders Who File with Local Filing Authorities (/data/resources/quides/coh local guide.pdf).)
