I understand the City will provide water service by turning on a meter that services this property. The City will not enter the property to determine if there are any open faucets or water system leaks, as it is my responsibility to ensure the property is service ready. I agree to release and hold harmless the City from all claims that arise out of or in connection with the City's providing water service to this property, including damages caused by open faucets or water system leaks. The city will not initiate service if the meter is running. (Revised 5/2023)
