All accounts are charged a non-refundable \$30.00 Activation fee. The City of Aledo requires all businesses to pay a utility deposit for new service. The deposit will remain on your account until the account is closed. Your deposit will be applied to the final water bill and the difference will be mailed to the forwarding address you provided on your disconnect form.

**Please email to [utilitybilling@aledotx.gov](mailto:utilitybilling@aledotx.gov)**

I understand the City will provide water service by turning on a meter that services this property. The City will not enter the property to determine if there are any open faucets or water system leaks, as it is my responsibility to ensure the property is service ready. I agree to release and hold harmless the City from all claims that arise out of or in connection with the City's providing water service to this property, including damages caused by open faucets or water system leaks. The city will not initiate service if the meter is running. (Revised 8/2023)
