**TOWN HALL**

**MEETING**

## Featuring the First Catalyst Project for Downtown Aledo's Revitalization

You are invited to come learn about preliminary plans for **Aledo's new City Hall, the first catalyst project proposed to bring the City's recently introduced Downtown Master Plan to life.**

**This will be a come-and-go event on February 17 from 6:00 – 7:30 p.m. with a brief presentation by City officials and the architectural team at 6:45 p.m.** Attendees will also have an opportunity to review visual displays, ask questions of City staff and provide input on the proposed municipal facility.

We welcome your participation as we aim to keep building on the community engagement processes and previous visioning work that led to the **Downtown Master Plan's development.**

This is a good opportunity to have a voice in shaping the ongoing Downtown placemaking effort, which includes having a modern, flexible City Hall in the heart of the Civic Center District.

**Even if you cannot attend, please be on the lookout for more project information soon on the City website, [www.aledotx.gov](http://www.aledotx.gov),** and on our social media channels. For those who prefer to participate virtually, we will livestream the presentation on Webex, and we will also post the video online afterward.

We hope to see you there!

**Thursday,  
February 17, 2022**

**6:00 – 7:30 p.m.  
(remarks at 6:45 p.m.)**

**Aledo Community Center  
104 Robinson Court  
Aledo, Texas 76008**
